All horses, cows and 4-H animals being raised by individual tract owners must be kept in a fenced area on the owner's tract. No overgrazing is permitted on any portion of the lot. Dogs, cats, or other common household pets may be kept on a Tract. Dogs must be kept in a kennel, dog run, or fenced in area that confines said dog(s) to that area, and for these purposes chain link fencing shall be permitted provided, however,

Driveway culverts must be installed and will be of sufficient size to afford proper drainage of ditches without backing water up into ditch or diverting flow. Drainage culvert installation is subject to the inspection and approval of the Architectural Control Committee and to County requirements.

Section 3.22 Re-subdivision. Except as provided below or as otherwise permitted in these restrictions, no tract shall be re-subdivided or split. Lots may be combined into one Lot for building purposes and the interior common boundary line shall be extinguished by filing a recordable document of record, joined by the Declarant, or Architectural Control Committee, or its duly authorized representative, declaring the same to be extinguished. Thereafter, all set back lines shall refer to the exterior property lines. Combined Lots shall nevertheless be considered as separate Lots for assessment purposes, unless otherwise determined by the Architectural Control Committee. Public utility and drainage easements are exempt from this provision.

The assignment, if any, shall be executed at such time as Lot 220 is sold by Developer and shall be evidence in writing and filed of record. This right is exclusive to Developer and shall not be affected by the transfer of architectural and property owner association control.

In the event of the failure of Owner to comply with the above requirements after ten (10) days written notice thereof, the Association or their designated agents may, without liability to the Owner, Contractor or any occupants of the Tract in trespass or otherwise, enter upon (and/or authorize one or more others to enter upon) said Tract, cause to be removed, such garbage, trash and rubbish or do any other thing necessary to secure compliance with this Declaration at the expense of Owner. Payment for the charges by such Owner shall be payable on the first day of the next calendar month.

#### ARTICLE IV ARCHITECTURAL CONTROL COMMITTEE

Section 4.01 Basic Control

- (a) No building or other improvements of any character shall be erected or placed, or the erection or placing thereof commenced or changes made in the design or exterior appearance thereof (excluding, without

limitation, any staining, painting or siding), or any addition or exterior alteration made thereto after original by construction, or demolition or destruction by voluntary action made thereto after originally constructed, on any tract in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) from the Committee of the construction plans and specification for the construction or alteration of such improvements or demolition or destruction of existing improvements by voluntary action. Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument.

- (b) Each application made to the Committee, or to the Developer, shall be accompanied by two sets of plans and specifications for all proposed construction (initial or alteration) to be done on such Tract including plot plans showing location on the tract.

#### Section 4.02 Architectural Control Committee.

- (a) The authority to grant or withhold architectural control approval as referred to above is initially vested in the Developer; provided, however, the authority of the Developer shall cease and terminate upon the election of the Architectural Control Committee of the Association (sometimes herein referred to as the "Committee"), in which event such authority shall be vested in and exercised by the Committee (as provided in (b) below), hereinafter referred to, except as to plans and specifications and plot plans theretofore submitted to the Developer which shall continue to exercise such authority over all such plans, specifications and plot plans. Notwithstanding, after the Control Transfer Date, both the Developer and the Architectural Control Committee shall have the right to grant a variance from the building set-back line restrictions. Either party may grant this variance as it determines in its sole discretion is needed, without the consent of the other. The term "Committee", as used in this Declaration, shall mean or refer to the Developer or to the RIVER CHASE Architectural Control Committee composed of members of the Association, as applicable.
- (b) On or after such time as fifty-one percent (51%) of all of the Tracts in all sections of the Subdivision are conveyed by Developer (from time to time hereafter referred to as the "Control Transfer Date"), the Developer shall cause an instrument transferring control to the Association to be placed of record in the Official Public Records of Comal County, Texas (the effective control Transfer Date shall be the date of its recording). Thereupon, the Developer shall appoint a Committee of three (3) members to be known as the RIVER CHASE Architectural Control Committee who shall serve until the next succeeding annual meeting following the Control Transfer Date. From and after the Control Transfer Date, each member of the Committee must be an Owner of the Property in some Section of RIVER CHASE. Additionally, the Developer shall have the right to discontinue the exercise of architectural control privileges and

arrange for the transfer to the Association at any time prior to the Control Transfer Date by filing a statement and instrument to such effect in the Official Public Records of Comal County, Texas.

Section 4.03 Effect of Inaction, Approval or disapproval as to architectural control matters as set forth in the preceding provisions of this Declaration shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Developer or the Committee) fails to approve or disapprove in writing any plans and specifications and plot plans received by it in compliance with the preceding provisions within thirty (30) days following such submissions, such plans and specifications and plot plan shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plot plan and all of the other terms and provisions hereof.

Section 4.04 Effect of Approval. The granting of the aforesaid approval (whether in writing or by lapse of time) shall constitute only an expression of opinion by the Committee that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plot plan; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plot plan, but, nevertheless, fail to comply with the provisions hereof. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reasons of the good faith exercise thereof.

Section 4.05 Variance, The Developer or the Committee, as the case may be, may authorize variances from compliance with any of the provisions of this Declaration or minimum acceptable construction standards or regulations and requirements as promulgated from time to time by the Developer or the Committee, when circumstances such as topography, natural obstructions, Tract configuration, Tract size, hardship, aesthetic or environmental considerations require a variance. The Developer and the Committee reserve the right to grant variances as to building set-back lines. Such variances must be evidenced in writing and shall become effective when signed by the Developer or by at least a majority of the members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular Property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Property concerned and the Plat.

ARTICLE V  
NBRC PROPERTY OWNERS ASSOCIATION

Section 5.01 Membership. Every person or entity who is a record owner of any Tract which is subject to the Maintenance charge (or could be following the withdrawal of an exemption therefrom) and other assessments provided herein, shall be a "Member" of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation or those having only an interest in the mineral estate. No Owner shall have more than one membership for each Tract owned by such Member. Memberships shall be appurtenant to and may not be separated from the ownership of the Tracts, regardless of the number of persons who may own a Tract (such as husband and wife, or joint tenants, etc.) there shall be but one membership for each Tract. Additionally, the Directors of the Association must be Members of the Association (as more particularly described in the By-laws). Ownership of the Tracts shall be the sole qualification for membership. The voting rights of the Members are set forth in the Bylaws of the Association. However, the Restrictive covenants will not be construed as to assess the Veterans Land Board or the State of Texas. Any assessments are the personal obligation of the Veteran purchaser, his successors, heirs and assigns. Any lien imposed by the restrictive covenants does not affect the Veterans Land Board's interest in the Property.

Section 5.02 Non-Profit Corporation, NBRC PROPERTY OWNERS ASSOCIATION, a non-profit corporation, has been (or will be) organized and it shall be governed by the Articles of Incorporation and Bylaws of said Association; and all duties, obligations, benefits, liens and rights hereunder in favor of the Association shall vest in said corporation.

Section 5.03 Bylaws, The Association has adopted or may adopt whatever Bylaws it may choose to govern the organization or operation of the Subdivision and the use and enjoyment of the Tracts and Common Areas, provided that the same are not in conflict with the terms and provisions hereof.

Section 5.04 Owner's Right of Enjoyment, Every Owner shall have a beneficial interest of use and enjoyment in and to the Common Areas and such right shall be appurtenant to and shall pass with the title to every assessed Tract, subject to the following provisions:

- (a) the right of the Association, with respect to the Common Areas, to limit the number of guests of Owners;
- (b) the right of the Association, in accordance with its Articles and Bylaws (and until fifty-one percent (51%) of all tracts in the Subdivision are sold), subject to the prior written approval of the Developer, to (i) borrow money or the purpose of improving and maintaining the Common Areas and facilities (including borrowing from the Developer or any entity affiliated with the Developer) and (ii) mortgage said Property, however, the rights of such mortgage of said Property shall be subordinate to the rights of the Owners hereunder;
- (c) the right of the Association to suspend the Members voting rights and

the Member's and Related Users right to use any recreational facilities within the Common Areas during any period in which the Maintenance Charge or any assessment against this Tract remains unpaid;

- (d) the right of the Association to suspend the Member's voting rights and the Member's and Related Users' right to use any recreational facilities within the Common Area, after notice and hearing by the Board of Directors, for the infraction or violation by such Member or Related Users of this Declaration or the "Rules and Regulations", as hereinafter defined, which suspension shall continue for the duration of such infraction or violation, plus a period not to exceed sixty (60) days following the cessation or curing of such infraction or violation.

#### ARTICLE VI MAINTENANCE FUND

Section 6.01 Maintenance Fund Obligation, Each Owner of a tract by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agrees to pay to the Association a monthly maintenance charge (the "Maintenance Charge"), and any other assessments or charges hereby levied. The Maintenance Charge and any other assessments or charges hereby levied, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Tracts and shall be a continuing lien upon the Property against which each such Maintenance Charge and other charges and assessments are made.

#### Section 6.02 Basis of the Maintenance Charge.

- (a) The Maintenance Charge referred to shall be used to create a fund to be known as the "Maintenance Fund", which shall be used as herein provided; and each such Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner of each Tract (or residential building site) to the Association. The Maintenance Charge for the year of purchase shall be pro-rated at closing and then shall be paid annually, in advance, on or before the first day of the first month of each calendar year. Provided, however if such owner owns more than one tract in the subdivision, such Owner shall pay only twice the assessment of one (1) tract no matter how many tracts are owned or in the event as Owner obtains consent from the Committee for a Composite Building site pursuant to Section 3.02 hereof, such Composite Building Site shall be considered for the Maintenance Charge of one Tract for beginning upon the completion of the improvements thereon.
- (b) Any Maintenance Charge not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter

described lien against the Owner's Tract. No Owner may waive or otherwise escape liability for the Maintenance Charge by non-use of any Common Areas or recreational facilities available for use by Owners of the Subdivision or by the abandonment of his tract.

- (c) The initial amount of the Maintenance Charge applicable to each Tract will be \$120.00 per year due in advance, payable on January 1 of each year. All other matters relating to the Maintenance Charge and the collection, expenditures and administration of the Maintenance Fund shall be determined by the Developer or the Board of Directors of the Association, subject to the provisions hereof.
- (d) The Association, from and after the Control Transfer Date, shall have the further right at any time, with a majority vote of all association members, to adjust or alter said Maintenance Charge from year to year as it deems proper to meet the reasonable operating expenses and reserve requirements of the Association in order for the Association to carry out its duties hereunder.

Section 6.03 Creation of Lien and Personal Obligation. In order to secure the payment of the Maintenance Charge, and other charges and assessments hereby levied, each Owner of a Tract in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Tract which may be foreclosed on by non-judicial foreclosure, pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of written instrument executed by the President or any Vice-President of the Association and filed for record in the Official Public Records of Comal County, Texas. In the event that the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of foreclosure sale as provided by the Texas Property Code as then amended. Upon request by Association, the Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended, and shall convey such Tract to the highest bidder for cash by the General Warranty Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and third, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Tract foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in action of forcible detainer

and the issuance of a writ of restitution thereunder.

In the event of non-payment by any Owner of any Maintenance Charge or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such non-paying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this 6.03 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property code hereafter, the President or any Vice-President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration file in the Official Public Records of Comal County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

Section 6.04 Notice of Lien, In addition to the right of the Association to enforce the Maintenance Charge or other charge or assessment levied hereunder, the Association may file a claim or lien against the Tract of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have accrued thereon, (d) the legal description and street address of the Tract against which the lien is claimed and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured hereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such release of lien instrument.

Section 6.05 Liens Subordinate to Mortgages. The lien described in this Article VI shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or any other third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Tract and any renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Tract who obtains title to such Tract pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Tract free and clear of any claims for unpaid Maintenance Charges or other charges of assessments against such Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any Maintenance Charge or other charges or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Tract shall not affect the Association's lien for Maintenance Charges or other charges or assessments. The Association shall make a good faith

effort to give each such mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of lien described in Section 6.01 hereof, which notice shall be sent the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent Maintenance Charges or other charges or assessments upon which the proposed action is based provided, however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VI.

**Section 6.06 Purpose of the Maintenance Charges.** The Maintenance Charge levied by the Developer or the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners of the Subdivision which hereafter may become subject to the jurisdiction of the Association. In particular, the Maintenance Charge shall be used for any improvement or services in furtherance of these purposes and the performance of the Association's duties described in Article VIII, including the maintenance of any Common Areas, any Drainage Easements and the establishment and maintenance of a reserve fund for maintenance of any Common Areas. The Maintenance Fund may be expended by the Developer or the Association for any purposes which, in the judgment of the Association, will tend to maintain the Property values in the Subdivision, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Area as may from time to time be authorized by the Association. Except for the Association's use of the Maintenance Charge to perform its duties described in this Declaration and in the Bylaws, the use of the Maintenance Charge for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised in good faith.

**Section 6.07 Handling of Maintenance Charges.** The collection and management of the Maintenance Charge or other charge or assessment levied hereunder, shall be performed by the Developer until the Control Transfer Date, at which time the Developer shall deliver to the Association all funds on hand together with all books and records of receipt and disbursements. The Developer and, upon transfer, the Association, shall maintain separate special accounts for these funds, and Owners shall be provided at least annually information on the Maintenance Fund.

## ARTICLE VII DEVELOPER'S RIGHTS AND RESERVATIONS

**Section 7.01 Period of Developer's Rights and Reservations.** Developer shall have, retain and reserve certain rights as set forth in this declaration with respect to the Association and the Common Area from the date hereof, until the earlier to occur of (i) the Control Transfer Date or (ii) Developer's written notice to the Association of Developer's termination of the rights described in Article VII hereof, less, save and except those rights set forth in Sections 7.03, 7.04 and 7.05. The rights in Sections 7.03, 7.04 and 7.05 shall be released at such time as a document relinquishing said rights is filed of record or the developer no longer holds record title to any lots in the

subdivision. The rights and reservations hereinafter set forth shall be deemed excepted and reserved in each conveyance of a Tract by Developer to an Owner whether or not specifically stated therein and in each deed or other instrument by which any Property within the Control Area is conveyed by Developer. The rights, reservations and easements hereafter set forth shall be prior and superior to any other provisions of this Declaration and may not, without Developer's prior written consent, be modified, amended, rescinded or affected by any amendment of this Declaration. Developer's consent to any one such amendment shall not be construed as a consent to any other or subsequent amendment.

Section 7.02 Right to Construct Additional Improvements in Common Area. Developer shall have and hereby reserves the right (without the consent of any other Owner), but shall not be obligated to construct additional improvements within the Common Area at any time and from time to time in accordance with this Declaration for the improvement and enhancement thereof and for the benefit of the Association and Owners, so long as such construction does not directly result in the increase of such Maintenance Charge. Developer shall, upon the Control Transfer Date, convey or transfer such improvements to the Association and the Association shall be obligated to accept title to care for and maintain the same as elsewhere provided in this Declaration.

Section 7.03 Developer's Rights to Use Common Areas in Promotion and Marketing of the Property. Developer shall have and hereby reserves the right to reasonable use of the Common Area and of services offered by the Association in connection with the promotion and marketing of land within the boundaries of the Property. Without limiting the generality of the foregoing, Developer may erect and maintain on any part of the Common Area such signs, temporary buildings and other structures as Developer may reasonably deem necessary or proper in connection with the promotion, development and marketing of land within the Property; may use vehicles and equipment within the Common Area for promotional purposes; and may permit prospective purchasers of Property within the boundaries of the Property, who are not Owners or Members of the Association, to use the Common Area at reasonable times and in reasonable numbers; and may refer to the services offered by the Association in connection with the development, promotion and marketing of the Property.

Section 7.04 Developer's Rights to Grant and Create Easements. Developer shall have and hereby reserves the right, without the consent of any other Owners or the Association, to grant or create temporary or permanent easements, for access, utilities, pipeline easement, cable television systems, communication and security systems, drainage, water and other purposes incidental to development, sale, operation and maintenance of the Subdivision, located in, on, under, over and across (i) the Tracts or other Property owned by Developer, (ii) the Common Area, and (iii) existing utility easements. Developer also reserves the right, without the consent of any other Owner or the Association, to (i) grant or create temporary or permanent easements for access over and across the streets and roads within the Subdivision.

Section 7.05 Developer's Rights to Convey Additional Common Area to the Association. Developer shall have and hereby reserves the right, but shall not be

obligated to, convey additional real Property and improvements thereon, if any, to the Association as Common Area at any time and from time in accordance with this Declaration, without the consent of any other Owner or the Association.

Section 7.06 Annexation of Additional Areas. Developer may cause additional real property to be annexed to the Property, by causing a written Annexation Declaration confirming the annexation thereof, adopting these Restrictions, to be placed of record in the Official Public Records of Comal County, Texas. At that point the annexed property shall become a part of this Subdivision and shall be subject to all of the Restrictions herein set forth the same as if originally included. No consent shall be required of the Association or any Member thereof, each Owner being deemed to have appointed Developer as his agent and attorney-in-fact to effect this Annexation, which power hereby granted to Developer is and shall be a power coupled with an interest. Thereafter the Association shall be the Association for the entirety of the Subdivision, the same as if the Property were included in the first instance. The Owner of the Annexed Property shall be subject to these Restrictions and shall be a member of the Association and shall be entitled to all of the rights and benefits provided members.

The Association shall accept title to any Property, including any improvements thereon and personal property transferred to the Association by Developer, and equipment related thereto, together with the responsibility to perform any and all administrative functions and recreation functions associated therewith (collectively herein referred to as "Functions"), provided that such Property and Functions are not inconsistent with the terms of this Declaration. Property interest transferred to the Association by Developer may include fee simple title, easements, leasehold interests and licenses to use such Property. Any Property or interest in Property transferred to the Association by Developer shall be within the boundaries of the Property. Any Property or interest in Property transferred to the Association by Developer shall, except to the extent otherwise specifically approved by resolution of the Board of Directors, be transferred to the Association free and clear of all liens and mortgages (other than the lien for Property taxes and assessments not then due and payable), but shall be subject to the terms of this Declaration, the terms of any declaration of covenants, conditions and

restrictions annexing such Property to the Common Area, and all easements, covenants, conditions, restrictions and equitable servitude or other encumbrances which do not materially affect the Owners authorized to use such Property. Except as otherwise specifically approved by resolution of the Board of Directors, no Property or interest in Property transferred to the Association by the Developer shall impose upon the Association any obligation to make monetary payments to Developer or any affiliate of Developer including, but not limited to, any purchase price, rent, charge or fee. The Property or interest in Property transferred to the Association by Developer shall not impose any unreasonable or special burdens of ownership of Property, including the management maintenance, replacement and operation thereof.

**Section 8.06 Duty to Levy and Collect the Maintenance Charge.** The Association shall levy, collect and enforce the Maintenance Charge and other charges and assessments as elsewhere provided in this Declaration.

**Section 8.07 Duty to Provide Annual Review.** The Association shall provide for an annual unaudited independent review of the accounts of the Association. Copies of the review shall be made available to any Member who requests a copy of the same upon payment by such Member of the reasonable cost of copying the same.

**Section 8.08 Duties with Respect to Architectural Approvals.** The Association shall perform functions to assist the Committee as elsewhere provided in Article IV of this Declaration.

**Section 8.09 Power to Acquire Property and Construct Improvements.** The Association may acquire Property or an interest in Property (including leases) for the common benefit of Owners including improvements and personal property. The Association may construct improvements on the Property and may demolish existing improvements.

Section 8.10. Power to Adopt Rules and Regulations, The Association may adopt, amend, repeal and enforce rules and regulations ("Rules and Regulations"), fines, levies and enforcement provisions as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration, the operation of the Association, the use and enjoyment of the Common Areas, and the use of any other Property, facilities or improvements owned or operated by the Association.

Section 8.11 Power to Enforce Restrictions and Rules and Regulations. The Association (and any Owner with respect only to the remedies described in (ii) below) shall have the power to enforce the provisions of this Declaration and the Rules and Regulations and shall take such action as the Board of Directors deems necessary or desirable to cause such compliance by each Member and each Related User. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration and of Rules and Regulations of the Association by any one or more of the following means: (i) By entry upon any Property, excluding main residence, within the Subdivision after notice and hearing (unless a bona fide emergency exists in which event this right of entry may be exercised without notice (written or oral) to the Owner in such manner to avoid any unreasonable or unnecessary interference with the lawful possession, use or enjoyment of the improvements situated thereon by the Owner or any other person), without liability by the Association to the Owner thereof, for the purpose of enforcement of this Declaration or the Rules and Regulations; (ii) By commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Rules and Regulations; (iii) By exclusion, after notice and hearing, of any Member or Related User from use of any recreational facilities within the Common Areas during and for up to sixty (60) days following any breach of this Declaration or such Rules and Regulations by such Member or any Related User, unless the breach is a continuing breach in which case exclusion shall continue for so long as such breach continues; (iv) By suspension, after notice and hearing, of the voting rights of a Member during and for up to sixty (60) days following any breach by such Member or a Related User of a provision of this Declaration or such Rules and Regulations, unless the breach is a continuing breach in which case such suspension shall continue for so long as such breach continues; (v) By levying and collecting, after notice and hearing, an assessment against any Member for breach of this Declaration or such Rules and Regulations by such Member or a Related User which assessment reimbursed the Association for the costs incurred by the Association in connection with such breach; (vi) by levying and collecting, after notice and hearing, reasonable and uniformly applied fines and penalties, established in advance in the Rules and Regulations of the Association, from any Member or Related User for breach of this Declaration or such Rules and Regulations by such Member or a Related User; and (vii) By taking action itself to cure or abate such violation and to charge the expenses thereof, if any, to such violating Members, plus attorney's fees incurred by the Association with respect to exercising such remedy.

Before the Board may invoke the remedies provided above, it shall give registered notice of such alleged violation to Owner, and shall afford the Owner a hearing. If, after the hearing, a violation is found to exist, the Board's right to proceed with the listed remedies shall become absolute. Each day a violation continues shall be deemed

a separate violation. Failure of the Association, the Developer, or of any Owner to take any action upon any breach or default with respect to any of the foregoing violations shall not be deemed a waiver of their right to take enforcement action thereafter or upon a subsequent breach or default.

Section 8.12 Power to Grant Easements, In addition to any blanket easements described in this Declaration, the Association shall have the power to grant access, utility, drainage, water facility and other easements in, on, over or under the Common Area.

ARTICLE IX

The provisions hereof shall run with all Property in RIVER CHASE UNIT THREE and shall be binding upon all Owners and all persons claiming under them for a period of forty (40) years from the date this Declaration is recorded, after which time said Declaration shall be automatically extended for successive periods of ten (10) years each, unless an instrument, signed by not less than two-thirds (2/3rds) of the Owners (including the Developer) of the Tracts has been recorded agreeing to amend or change, in whole or in part, this Declaration.

Section 9.02 Amendments. There shall be one vote per Tract. Anyone owning more than one Tract shall have one vote for each Tract owned. Those Members (Owners, including the Developer) entitled to cast not less than two-thirds (2/3rds) of all of the votes of the Members of the Association may also vote to amend this Declaration, in person, or by proxy, at a meeting of the Members (Owners, including the Declarant) duly called for such purpose, written notice of which shall be given to all Owners at least ten (10) days and not more than sixty (60) days in advance and shall set forth the purpose of such meeting. **Section 9.03 Amendment by the Developer.** The Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged, and filed for record for the purpose of correcting any typographical or grammatical error, oversight, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Declaration and shall not impair or adversely affect the vested Property or other rights of any Owner or his mortgagee. Additionally, Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of permitting the Owners to enjoy the benefits from technological advances, such as security, communications or energy-related devices or equipment which did not exist or were not in common use in residential subdivisions at the time this Declaration was adopted. Likewise, the Developer shall have and reserves the right at any time and from time to time prior to the Control Transfer Date, without the joinder or consent of any Owner or other party, to amend this Declaration by an instrument in writing duly signed, acknowledged and filed for record for the purpose of prohibiting the use of any device or apparatus developed and/or available for residential use following the date of this Declaration if the use of such device or apparatus will adversely affect the Association or will adversely affect the Property values within the Subdivision.

**Section 9.04 Severability.** Each of the provisions of this Declaration shall be deemed independent and severable and the invalidity or unenforceability or partial invalidity or partially unenforceability of any provision or portion hereof shall not affect the validity or enforceability of any other provision.

**Section 9.05 Liberal Interpretation.** The provisions of this Declaration shall be liberally construed as a whole to effectuate the purpose of this Declaration.

**Section 9.06 Successors and Assigns.** The provisions hereof shall be binding upon and inure to the benefit of the Owners, the Developer and the Association, and their respective heirs, legal representatives, executors, administrators, successors and assigns.

**Section 9.07 Effect of Violations on Mortgages.** No violation of the provisions herein contained, or any portion thereof, shall affect the lien of any mortgage or deed of trust presently or hereafter placed of record or otherwise affect the rights of the mortgagee under any such mortgage, the holder of any such lien or beneficiary of any such deed of trust; and any such mortgage, lien or deed of trust may, nevertheless, be enforced in accordance with its terms, subject, nevertheless, to the provisions herein contained.
